

# *SSC Issues*

## *Changes at the SSC*

- Bare-bones crew.
- Paul Barrett left in December.
- Daryl Macomb is COMPTTEL contact.

## *COMPASS at the SSC*

- COMPASS is available at the SSC. Only limited testing done.
- COMPASS will not be modified to work with SSC FITS files.
- New COMPASS site - 'N' for NASA.
- Partial database transfers to SSC done as needed.
- No database export from SSC.
- Need to define a list of tasks to be maintained.
- Need to define test jobs for each such task.

## *COMPTTEL CD*

- No resources at SSC
- No interest within the team
